# The Story

## OF A MEDITERRANEAN FJORD

One of the Mediterranean's most distinctive and striking landscapes, Boka Bay sits in the Adriatic Sea, enveloped in mountains towering up to 1700 meters above the water. Its jewel, Kotor, sits under a rugged curtain of medieval stone walls, proudly showcasing its distinctly Venetian heritage and vibrant present-day atmosphere.

Highlighting the main treasures of Boka Bay, this tour not only introduces you to its stunning nature but to an array of distinct cultural treasures: venerated churches, elegant palaces, informative museums, pompous gates, and some blood-stirring stairs. The lunch at the **"Secret Place,"** known for fish specialties, would be an additional optional experience.

# Montenegrin Heritage

## BEHIND THE BLACK MOUNTAINS

This tour takes you up to the very core of Montenegro: the land behind the **mystic black mountains**, where the sea is just a promise and a completely different history took place.

**The Old Royal Capital** of Montenegro, **Cetinje**, was founded in the 15th century. Among many historic venues, you will visit **King Nikola's Palace** and Cetinje Monastery, the home of two great Christian relics: the hand of Saint John the Baptist and a piece of the Holy Cross. Refreshments are served in the ethno village Njeguši with the famous Montenegrin delicacy - prosciutto. Njeguši Village is also the birthplace of Prince Bishop Njegoš. National Park Lovćen and the highest peak of Lovćen Mountain, and the visit to the famous Mausoleum, will be a great addition to the active experience. On the way back, the stunning serpentines will be an experience in itself.

### FULL-DAY TOUR

# Boka Bay

## GASTRONOMIC TOUR

The visit to **Kotor Old Town** will include the tasting of a “secret specialty” known among the locals. The next stop will be an **oyster farm** with degustation and education in the process of production in the famous town of **Perast** we will also visit.

The last stop is the winery “**Savina**,” named after the well-known part of the town of Herceg Novi, where **Savina Monastery** is located. It has a long wine-growing tradition and produces excellent wines. The cultivation of vineyards dates back to the 18th century, and there is an entire story about Venetians and Savina behind it. You have to experience it with a glass of wine, a selection of specialties, and a beautiful view of the bay. Discover the gentle landscapes of Savina, with authentic rural architecture, and the hospitality of its people on full-day excursion.

### HALF-DAY TOUR (Kotor, Oyster Farm, Perast + Winery)

1-2 persons: 550.00 euros

3-6 persons: 770.00 euros

+7 persons: on request

The price includes driver & vehicle on disposal, professional guide, oyster degustation, degustation at the winery, entrance fees & VAT.

The price is subject to a 5 % service charge.

# Wine Tasting

AT A FAMILY WINERY & MORE

The main point of the excursion is the introduction of local culture and traditional ways of preparing homemade products and wine. You will hear the story of **Village Cermeniza** and how the local family established a winery where the wine production is done by three generations (grandfather, father, and son). The production is limited, as they want to have the best and most natural wine, and it is a real pleasure to try their wine and enjoy a beautiful landscape from their winery.

The winery **“Cermeniza”** was named for a well-known place at Skadar Lake, and has a long winegrowing tradition and produces excellent wines. Their wine cellar is not large, but anyone who has visited this place was amazed by the romantic interior design, selection of three red wines for degustation, and tasty lunch, which will include specialties from this area. You will hear the rest of the story at this fantastic place.

## HALF-DAY TOUR (Skadar Lake + Winery)

*Price:*

- 1-2 persons: 660.00 euros
- 3-6 persons: 825.00 euros
- +7 persons: on request

The price includes driver & vehicle on disposal, professional guide, degustation at the winery, lunch at the winery & VAT.

The price is subject to a 5 % service charge.

# Ostrog Monastery

At some 900 meters above sea level, Ostrog Monastery sits carved into a mountain cliff. The Monastery is among the most frequently visited **Christian** destinations. The cradle and soul of Montenegrin spirituality, this Orthodox temple came into existence in the 17th century but underwent reconstructions and changes over time. Its focal point, the cave-like Church of the Presentation has been preserved from the oldest times and today holds Ostrog's most revered possession – **the relic of its founder, Saint Basil of Ostrog.** An elevating insight into monastic life, this active Monastery testifies to the past and the present, to the belief, culture, and traditions of the people who have lived here for centuries. Lunch can be arranged close to Ostrog at a fantastic local place with a panoramic view.

## FULL-DAY TOUR

# Durmitor & Biogradska Gora

## NATIONAL PARKS

Despite its small size, Montenegro impresses with its incredible biodiversity and varying landscapes at close distances. Its protected national parks are one of its greatest treasures. This tour envelops you in the silence of centuries-old forests, the singing of birds, the rustle of leaves, and clean mountain air.

Choose between two beautiful areas: **Biogradska Gora** on the northeast or Durmitor on the north of the country. **Biogradska Gora** is an untouched forest with trees over five-hundred years old, large mountain slopes and glacier lakes at over 1800 meters, and an easily accessible lake at the very entrance to the park.

**Durmitor National Park** is one of the most beautiful national parks in this part of Europe. Among over 18 glacial lakes called mountain eyes, the Black Lake takes the prime. Whichever option you go with, you will experience Montenegro's wild beauty.

### FULL-DAY TOUR

# The Treasures of Budva & Sveti Stefan

Driver and professional guide will pick up the clients at their accommodation, and the tour will begin! Nestled at the foot of Lovćen massif, bordered by a string of exclusive developments, lies **Budva Old Town**, a charming historic settlement thickly woven on a small peninsula. Strolling its narrow, windy alleys is a story of time. Trace centuries as they have come and gone on scattered church facades: The Church of St. John from the 7th century, Santa Maria in Punta from the 8th century, Church of Saint Sava from the 12th century, all the way to the baroque Holy Trinity Church. Gaze at the gorgeous Budvanian Riviera from the medieval **Citadel Fortress**, and admire its endless sandy beaches. Amidst all the history, discover the enchanting buzz of this seaside town that will easily have you come back for more.

**Sveti Stefan** is the signature of Montenegro and a must-visit place located by the forest of the beautiful Miločer Park with its own Miločer Villa, Queens Beach, and Kings Beach, known as a summer house of the former **Royal Family**. Walking along this beautiful area will make your day perfect!

# Mysteries of the Underworld

## LIPA CAVE

The world's greatest artists would not have designed this space as spectacularly as nature did. A long cave tunnel ushers you into the underground, adding a splash of mysticism to your caving experience. As the temperatures settle at between 8 and 12°C, and you hear the wind caressing the passageways, enjoy an air of divine in each one of your glances. A stillness lingers in the airy cave halls, decorated with stalactites and stalagmites like the most impressive ballroom. Resulting from centuries of cohesion between water and rock, **Lipa Cave** feels like another universe. Guaranteed to amaze all generations, this excursion to the surreal world of the Montenegrin underground will leave you feeling like you have experienced something truly special.

# “The Tear of Europe”

## RAFTING

One of the deepest canyons in Europe, the **Tara River** gorge snakes between sky-high mountains, dives off cliffs in spectacular waterfalls and abounds in thrilling rapids.

Called the **Tear of Europe** because of its extremely pure water, Tara is a rare universe in the present-day world: you can actually drink the water along the entire rafting route. Embraced in lush forests, the journey down the Tara River comes sprinkled with splendid moments in nature and the adrenaline of its cascades.

Accompanied by a licensed instructor and propped up in safety gear, enjoy the rush of rapids as they subside into meditative rafting across the Piva Lake, immersing in scents, colors, and fresh air of the **Tara River Canyon**. As you make your way back to Ščepan Polje after three hours of rafting and recharge over a tasty lunch at one of the local restaurants before heading back to the hotel.
