Kafeterija kafa stiže sa plantaža iz najudaljenijih krajeva svijeta, preko ruku farmera i berača plodova, pravo do vaših stolova. Pažljivo brinemo o svakom pakovanju najfinijih zrna, pa tako kafe koje su putovale čak iz Indije, Kenije, Kolumbije ili neke od ostalih devet regija uvek imaju svež i prepoznatljiv ukus.

Kažu da je za dobro jutro potrebna dobra kafa, a ono što našu ponudu čini posebnom je to da su sve kafe koje proizvodimo 100% Arabike! Naši svakodnevni rituali su i praćenje onog najboljeg što pasionirani inovatori iz sveta kafe mogu da ponude kako bi se održao kvalitet proizvoda, a usluga podigla na nivo novog uživanja u tradicionalnom napitku.

U ukusima Brazila, Gvatemale, Kube, Kolumbije, Nikaragve, Kenije, Etiopije ili u specijalno pripremljenim blendovima, možete uživati i kod kuće! Specijalna pakovanja za vaše espresso aparate možete pronaći u prodavnici koja se nalazi u okviru svake Kafeterija lokacije.

KOPI LUVAK

Kopi Luwak
30€

Kopi Luwak je naziv za fermentaciju zelenih zrna kafe koji se odvija u stomaku cibetke. Ovaj čudan način obrade kafe se primenjuje u Sumatri, Javi, Baliu, Sulavesima. Kopi Luwak, napitak koji odlikuju jedinstvene i pojačane biljne note indonežanskih kafa, služi se u unikatnoj šoljici koja je postavljena na velikoj drvenoj dasci, a uz kafu možete da izaberete mineralnu ili običnu vodu.

Kopi Luwak is the name of the fermentation of green coffee beans that occurs in the stomach of an animal named Civet. This rare way of coffee processing is being used in Sumatra, Java, Bali and Sulawesi. Kopi Luwak, drink that features unique and enhanced herbal notes of Indonesian coffee, served in a unique coffee cup on a big wooden tray with mineral or still water.

Hladna kafa je kvalitetan hladni filter napitak od kafe iz Etiopije. Svi elementi iz kafe se ekstraktuju osmočasovnom imerzijom kafe u hladnu vodu. Odgovara osobama sa slabijim stomakom jer se izvlači manje kiselina, dok se zadržava bogat nivo kofeina.

Cold brew is a high-quality cold filtered Ethiopian coffee, in which all the elements from the coffee are extracted by immersion of coffee in cold water for eight hours. Because of the process in which fewer acids are extracted, it is suitable for people that have a weak stomach.

HLADNA MAČA
Iced Matcha 280ml

4,8€

Visoko kvalitetna Mača, mnogima već poznatog specifičnog ukusa. Zaslađena taman koliko treba, jedna čaša ovog hladnog napitka je, kao i već poznati čaj, deset puta nutritivnija i sadrži malo više kofeina u odnosu na zeleni čaj. Obogaćena slasnom mliječnom kremom koja joj u kombinaciji sa ledom daje svežinu i povremeno oštar ukus.

One glass of well-known, high quality Matcha is ten times more nutritious and contains a little more caffeine than regular green tea. Delicious milky foam combined with ice, sweetened just right, gives this cold beverage occasional sharp taste.

Gojiberry and Strawberry

Komadići jabuke i jagode, kora šipka, hibiskus i komadi papaje u kombinaciji sa egzotičnim godži bobicama i nježnim laticama ruže čine lagani osvježavajući ukus.

Apple and strawberry pieces, rosehip peels, hibiscus and papaya, combined with goji berries and delicate rose petals together comprise a light and refreshing taste.

NANA I MORINGA

Mint and Moringa

Moringa oleifera je brzorastuće listopadno drvo poreklom iz Indije. U kombinaciji sa zelenim čajem i listovima nane daje savršeno bogat ukus sa dosta vitamina, minerala, antioksidanata i malo kofeina.

Moringa oleifera is a fast-growing leafy tree originally from India. A combination of green tea and mint leaves makes a perfect rich taste and spectrum of vitamins and minerals, antioxidants and phytonutrients. This type of tea contains a little bit of caffeine. The ingredients of this tea are green tea, peppermint and moringa leaves.

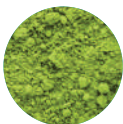

MANGO CRNI ČAJ

Mango Black Tea

Mango crni čaj je pravi napitak za sve ljubitelje slatkog mango ukusa.

Perfect potion for anyone who loves the sweetness of tender fruit.

MAČA ZELENI ČAJ

Matcha Green Tea

Mača čaj je visokokvalitetni zeleni čaj u prahu. Dobija se pulverizacijom suvih listova Tenča čaja. Jedna šolja ovog napitka je deset puta nutritivnija i sadrži malo više kofeina nego standardan zeleni čaj. Možete ga poručiti sa mlekom ili bez.

Matcha tea is a high-quality tea in powder form. It is obtained by pulverizing dry leaves of Tencha tea. One cup of this drink is ten times more nutritious and contains a little more caffeine than green tea. You can order it with or without milk.

HIMALAJA CRNI ČAJ

Himalaya Black Tea – Royal Darjeeling

Uzgaja se u Darjeeling i Kalimpong četvrti u Indiji, odakle se i izvozi. Namjenjen je ljubiteljima izbalansiranih i orašastih nota. Čaj sadrži dosta antioksidanata, povećava gustinu kostiju, sprečava srčane bolesti i utiče na mentalno zdravlje.

It is grown in the Darjeeling and Kalimpong districts in India, from where it is also exported. It's intended for lovers of balanced and nutty notes. This tea is full of antioxidants that increase bone density, prevents heart disease, and improves your mental health.

ASAM CRNI ČAJ

Assam Black Tea

Crni čaj Assam odlikuje jak i opor ukus Indije sa tipičnom slatnom notom. Prošaran fantastičnom mirisnom aromom i bogat taniinom, čaj je tamne boje i moćnog ukusa.

Assam black teas characterized by a strong and pungent taste of India with a typical malty note. Dotted with a fantastic fragrant aroma and rich in tannin, the tea is dark in color and powerful in taste.

ZELENI ČAJ

Green Tea

„Hram Raja“ je zaštitni znak velike fabrike čaja u Hangzou i pandan pravom hramu u Pekingu. Čaj za ovaj blend se uvek bere na istim imanjima i tako zadržava prepoznatljiv kvalitet i aromu. Tamno zeleni i čvrsto valjani list, blago gorko i oštrog ukusa.

Temple of Heaven is a label of a large tea factory in Hangzhou. The original "Temple of Heaven" is a temple in Beijing. The tea for this blend is always harvested from the same estates, so the quality remains the same on the entire international market. Dark green and tightly rolled leaf, tenderly bitter and tangy taste.
